

**REQUIREMENTS FOR 2020 – 2026 GM 2500/3500 AIR SUSPENSION KIT**

Aftermarket 5th wheel brackets are **compatible** with 2020 – 2026 GM 2500/3500 air suspension kits **only** when **all clearance requirements shown below are met** on the inboard and outboard sides of the frame rails.

REQUIREMENTS:

1. The **red zones** indicated in Figures 1 & 2 must be clear for the installation of the aftermarket upper air suspension kit.
2. The underside of the frame must be clear and accessible on both sides of the OEM jounce bumper mount for the installation of the aftermarket upper air suspension bracket as indicated by dimensions D & E shown in Figure 2.
